

First of all welcome to 2011 and I hope the handicapping system is kind to you.
Two interesting results our Junior Pennant team only lost one match to Cabramatta GC who eventually won the Junior Pennant.

Secondly our Eric Appley side also drew the winners New South Wales GC. So both sides had pretty tough draws.

You have probably noticed extra plates on the course, this is part of the Slope rating system. However, at going to print the full implementation of this system is on hold.
The pennant season is also upon us again with both Mixed Pennants and Major Pennants underway so good luck to both sides.
Medal of Medals will be played on the 5th Feb. This will be the last time we will have graded tee boxes.

Presentation night will be on the 19th Feb. in the main body of the club cost \$35 with a two course meal, beer, wine and entertainment. So book early tickets are available from reception.
The 2011 Match Play trophy nominations close 27th Feb. bearing in mind for the men the first 64 entries only go into the draw.

The other date to note is the Queanbeyan visit they are playing here on 12th and 13th March not the week earlier that is in the fixture book.

Good Luck and Good Golf.
Des Young
Captain
